Duration: 140 minutes

Total Marks: 100

Number of Sections:5

Problem-Solving: 15 MCQ (20 minutes)

Analytical Proficiency 10 MCQ (15 minutes)

English Proficiency 10 MCQ (15 minutes)

Computer Fundamentals 25 MCQ (30 minutes)

Coding Proficiency 2 Coding (1 hour)

Q3) Is there any participation fee for appearing in N.C.E.T?

No, there is no participation fee or any other form of commercials involved in appearing for the N.C.E.T. Participation is completely free for all eligible candidates.

Q4) What are the benefits of taking N.C.E.T?

The top thousand candidates can avail of exciting cash Prizes, Goodies, and Gift vouchers. Top candidates will be selected only after multiple rounds of interviews. There is a CASH PRIZE worth more than 1 lakh.

The candidate will receive various job/internship opportunities through MyAnatomy based on N.C.E.T Score along with entry into various hack-a-thons, code-a-thons, and other on & off-campus career growth opportunities. The skill-based report of N.C.E.T will give the candidates a clear understanding of their competency, skill gap, and areas to improve for the betterment of their chances to get placed in the future on and off-campus placements.

Q5) When can we have the option for the second attempt of N.C.E.T?

As per the rules and regulations of N.C.E.T, a candidate can appear for a second attempt after 3 months from the day of the first attempt.

Q6) Score of Which attempt is considered after giving the second/multiple attempts for N.C.E.T? Is it the best score, or latest attempt score, or the average score?

If a candidate appeared for more than one attempt of N.C.E.T in such a case, the best score out of all the attempts is considered.

Q7) My N.C.E.T score is good, but I am not shortlisted or received any information for any of the recent placement events post N.C.E.T?

Shortlisting of candidates for any of the placement events through MyAnatomy depends on multiple factors like candidate's academic percentage/stream/degree/year of passing/N.C.E.T

In case of not being shortlisted for any of the recent events, it indicates that you might not have met one /many of the above-mentioned criteria or provided information related to academic criteria at the time of assessment is insufficient/incorrect, or you might have accidentally unsubscribed from the email list of MyAnatomy.

Q8) What are the minimum qualifying marks for N.C.E.T?

N.C.E.T does not have any minimum cut-off or qualifying criteria. The better you score, the more are opportunities through N.C.E.T.

Q9) My Score is very good. Is it mandatory to give a second attempt for N.C.E.T?

It is not mandatory to appear for a second attempt of N.C.E.T However, as the best score is considered and not the latest or average score, therefore it is suggested to make use of the opportunity for the betterment of your score and improve your chances to get shortlisted for a greater number of events.

Q10) Will I get any certificate for appearing in N.C.E.T?

Yes, you will receive a certificate for participating in the N.C.E.T post-completion of your second attempt. This certificate will be awarded by MyAnatomy and other administrating bodies of N.C.E.T.

The certificate will be made available on the MATCH Platform to download /attach with your CV /share across various platforms / Link to your social media profiles.

Note: Candidates who involve in any malpractice will not be awarded any certification.

Q11) How many companies hire through N.C.E.T Score?

Most of the companies/placement opportunities coming through MyAnatomy will have N.C.E.T is one of the selection parameters, and the number of companies a candidate can participate in will vary for each candidate depending on his/her N.C.E.T score.
